Minister-In-Charge

Department of Labour & E.S.I. (MB) Scheme
and Departments of Law & Judicial
Government of West Bengal

The Labour Department, Government of West Bengal has taken a path breaking initiative by introducing a converged scheme named "Samajik Suraksha Yojana (SSY)" meeting a long-standing need to integrate and converge common benefits of all the existing schemes into a single and more comprehensive scheme to provide uniform benefits to each and every unorganised worker in the state. It is a unique initiative of its kind in the country which covers almost 10% of the population of the State in the form of the unorganised workers directly. The scheme would also provide social benefits to the family of an unorganized worker thereby extending the reach of this scheme to almost 50% of the population of the State.

This is a moment of great joy for all of us in this Department that now the SSY web-portal is launched, by digitising the implementation of the scheme. This portal will provide online application for registration, online payment wherever needed, online checking of status, system generated communications and many more. The workers can access all information from the internet and can enrol online from any place with internet connection. Access to information relating to this Department will now be just a click away.

On this occasion, I extend my special thanks to the team that has made it possible.

Minister-In-Charge -
