Message

The Labour Department has been delivering various services to a significant number of its stakeholders to ensure social security and well being of the workers in the unorganised sectors. It was observed that the benefits that the existing schemes used to provide were varied in nature in terms of coverage and quantum. Ignorance about variety of schemes and their diverse implementation processes lead to lack of understanding among the beneficiaries thereby hampering the outcome of such schemes.

Launching of the Samajik Suraksha Yojana(SSY) – a scheme which will provide a wide range of benefits uniformly to all the registered unorganised workers would empower all such workers to face every exigency of life. This scheme will have a strong digital interface. Along with this, an unorganised worker would be given a Social Security Identity Number which would reside on the worker's Smajik Mukti Card.

I sincerely hope that this effort of the Department would bring about more accountability, transparency and effectiveness. I believe that the launching of this web portal is a good IT initiative and would help immensely the unorganised workers. Lastly, I would like to extend my heartiest congratulations to the whole team involved in developing the web portal.

Minister of State
Labour Department
